

"Kids Snowflake Bazaar offers affordable shopping for children and youth within their budget range, allowing them to experience independent shopping in a safe environment with the guidance of a personal assistant. It's a unique mall experience tailored just for children."

Established in 2017 by Mellissa Bourgeois, the Kids Snowflake Bazaar is growing every year! Reaching out to children and youth in all of South Eastern Manitoba, a small community initiative has now evolved into a registered non-profit organization (#739557619MCO001) dedicated to making a long lasting impact.

Our mission: The Kids Snowflake Bazaar is dedicated to nurturing the spirit of giving and financial literacy in children. We provide a joyful and educational shopping experience empowering children to independently choose and purchase gifts for their loved ones.

Our vision: "We envision the Kids Snowflake Bazaar movement spreading across the South Eastman region, strengthening family traditions, building financial literacy, and empowering independent decision-making in children."

Our organization accepts donations from the surrounding communities and creates gifts for children and youth to purchase at our Mothers Day, Fathers Day and Christmas events for their loved ones. All items are priced with their budget in mind ranging from \$0.25 – \$3.50. This affordability ensures that every child will experience the joy and choosing their own treasures for their loved ones.

To date we've proudly raised over \$28,000, channeling these funds back into local community groups for children and youth based events and programming. We've supported organizations such as Allard Library, Cultural Committee, Pineview Minor Hockey, and Strong Swimmers Survive along side other sporting and cultural events in the community. Additionally we've established bursary awards at 2 local schools.

Our influence extends far and wide! Our little shoppers travel from Pine Falls , Sagkeeng and Lac Du Bonnet, but also from Petersfield, Winnipeg, Selkirk, Whitemouth, Victoria Beach and even Rennie. As our region expands every year so does the magic of the Kids Snowflake Bazaar.

Please follow us on Facebook – Kids Snowflake Bazaar and check out our website, <https://kidssnowflakebazaar.com>, for a list of donation ideas, drop off locations, sponsorship opportunities and how to become a volunteer and our upcoming event dates!

For more information please call Mellissa Bourgeois @ 204-292-2528.

Join us in building a future where every child's potential is unlocked, one snowflake at a time!
